Arts Fair on the Square Call for Artists

Bloomington, Indiana: Arts Fair on the Square invites artists to apply for the 36th Annual fair on June 18th from 10 AM to 5 PM. Put on by the Bloomington Playwright's Project, this annual juried event is a Bloomington classic featuring 110 artists and bringing in thousands of visitors to the city every year. The BPP takes pride in putting on a great show and giving every participant and attendee a wonderful experience! Situated in the beautiful Midwest landscape of Southern Indiana, Arts Fair on the Square takes place in a unique and picturesque location in the heart of the city on the beautifully manicured Monroe County Courthouse Lawn with easy access to parking and public transportation making our event accessible to everyone.

Running in conjunction with several other large events including Taste of Bloomington and within walking distance of many local eateries, Arts Fair on the Square draws in patrons from all over Indiana and surrounding states. The mission of Arts Fair on the Square is to showcase fine art and craft of the highest quality, connect artists with the art-buying community, and promote commitment to the arts through a variety of interactive arts experiences. In order to bring in the best artists to Bloomington, Arts Fair on the Square will continue to expand and increase our target marketing this year far beyond the greater Bloomington area, Indianapolis, and Louisville in order to bring even more patrons to our fair as well as to our fine city.

Artists, apply now to join us for the best arts fair in the Midwest and best arts day in Bloomington! The artist application deadline is April 1, 2016. Contact us today or go to www.artsfair.org/artists.html for information about entering as an artist. Join us; our team is committed to supporting you and putting on the best fair yet!
